CAIRNS
PROGRAM GUIDE
I am proud that the Queensland Government is a major supporter of Festival 2018. We have invested in our creative industries sector to develop a high quality Festival program that offers the best local and international cultural experience.

An event of this scale is a defining moment. For years to come we will look back at Festival 2018 as the moment Queensland cemented its reputation as a global arts destination.

Festival 2018 offers something for everyone and will be an exceptional arts and cultural experience.

We know the Gold Coast 2018 Commonwealth Games is more than just world-class sport, and this program will showcase our state’s creativity to visitors from around the world. It’s family friendly with hundreds of free events.

Festival 2018 ensures that locals and visitors alike can enjoy Queensland’s wonderful lifestyle, community and culture.
I am thrilled to welcome you to Festival 2018 Cairns – an inspiring cultural program that truly captures the spirit of the Commonwealth.

With over 115 events featuring 400 artists, this is set to be one of the most memorable arts festivals ever staged in Cairns.

Festival 2018 is the perfect way to celebrate the Gold Coast 2018 Commonwealth Games, where we witness extraordinary, diverse talent and we revel in the best of humanity.

Cairns is a city that proudly celebrates its community at every opportunity.

An event like no other, Festival 2018 will showcase our city’s cultural fabric and depth of talent, as we share our stories with the world.

We hope you will enjoy the many wonderful events and activities on offer and be part of this historic occasion for Cairns and Queensland.
As part of the Gold Coast 2018 Commonwealth Games, preliminary basketball games will be held in Cairns. To extend the Commonwealth Games experience beyond the sporting stadiums, Festival 2018 has been designed as a bold arts and cultural program to galvanise and inspire audiences around the region.

Here in Cairns the centre of Festival 2018 will be the Live Site on Cairns Esplanade, which will buzz from 10am to 10pm for 12 days with a multitude of free events.

A major feature of Festival 2018 Cairns is Beginnings, a free ticketed, locally produced musical theatre performance held at Munro Martin Parklands. Visual arts exhibitions will also be held at the Cairns Art Gallery, UMI Arts and the Tanks Arts Centre.

LIVE SITE

SOMETHING FOR EVERYONE

12 DAYS FROM 10 ’TIL 10

From Wednesday 4 April to Sunday 15 April Cairns Esplanade is the place to be. Enjoy the best in live music, sport on the big screens and food and drinks at the al fresco dining area.
LIGHT & LOVE
This installation, created by local artist Adrian Wolf, celebrates the success of One Million Stars to End Violence project. The project, founded by Maryann Talia Pau, has encouraged communities to come together to weave stars to inspire light, hope and peace in the world. Adrian’s artwork, ‘Light and Love’ is a celebration of colour and community connection and features stars made by local star weavers.

GET CREATIVE
The Saltwater Creek Basketry Group will be assisting the public from 10am - 2pm every day to collaborate on Friendship Circles, individual woven pieces of art that will come together to form a large-scale installation.

AL FRESCO DINING
The Esplanade road will be closed to traffic between Aplin and Shields streets to create a huge al fresco dining space. Relax with friends and family over a drink and a range of delectable food from your Esplanade traders and watch the sporting action on the big screens.

BIG DESIGN
An outdoor gallery of temporary public artworks designed by students aged 15 to 17 will be installed along the Live Site. Big Design provides a pathway for young people to learn about creating concepts for public artworks while working alongside experienced local artists who assisted with the development, design, fabrication and installation phases of the process.

WATCH THE GAMES
Big screens will be positioned all around the Live Site including a swim-up big screen in the Esplanade Lagoon so you won’t miss a moment of the live Gold Coast 2018 Commonwealth Games sporting action!
Enter the enchanting technicolour world of Polytoxic, where the traditions of the Pacific collide with the whims of pop culture.

This stunning water-based collaboration between the innovative and imaginative team from Queensland dance-theatre company Polytoxic, and one of Australia’s most exciting contemporary Pacific visual artists, Samuel Tupou, is a magical performance for the whole family.

For the first time, the works of one of Australia’s most respected and influential artists, Fred Williams’ famous Weipa gouaches have been brought together. In 1977, he made his first light plane flight, travelling to Weipa. Seeing the vastness of the Australian landscape for the first time led him to the creation of what many consider his finest works.

Artists from Girringun Arts Centre, who are renowned for their skill in creating bicornual baskets (Jawun), transform traditional stories into visual images and designs. The exhibition includes contemporary works alongside historical artefacts from the South Australian Museum.
